

Baumit StarTherm Nature

Wood fibre insulation boards

Benefits

- Wood fibre for natural insulation
- Highly breathable
- Noise reduction

Technical Data

Product	
Panel format:	1860 mm x 590 mm
Thermal conductivity:	0.040 W/mK

Quality Assurance Internal quality assurance is provided by the manufacturer's plant.

Written and oral application technology recommendations provided by us to assist the seller/processor are based on our experience and reflect the current state of the art in science and practical application know-how. However, it is understood that these recommendations are non-binding. They do not create any legal relationship or any ancillary obligations in connection with the sale contract. They do not release the buyer from its obligation to verify the suitability to our products for the intended purpose or use by itself.
