

Baumit StarTherm

Grey expanded, square-edged, polystyrene boards for EWI systems.

Benefits

- **Good thermal insulation properties**
- **Effective thermal insulation**
- **Easy to install**

Technical Data

Product	
Panel format:	1200 mm x 600 mm
Thermal conductivity:	0.032 W/mK

Written and oral application technology recommendations provided by us to assist the seller/processor are based on our experience and reflect the current state of the art in science and practical application know-how. However, it is understood that these recommendations are non-binding. They do not create any legal relationship or any ancillary obligations in connection with the sale contract. They do not release the buyer from its obligation to verify the suitability to our products for the intended purpose or use by itself.
